

SHOAL CREEK NURSERY

Construction Project Details

Pardon
Our
Dust!

Construction Highlights

- More covered shopping areas
- Improved checkout process and configuration
- Enhanced product presentation and layout
- Easier navigation throughout nursery

Exciting changes are coming to Shoal Creek Nursery in February 2019. In order to provide our guests with an overall enhanced shopping experience, we are updating and improving many areas of the nursery. We hope you will pardon our dust for the next two months as crews work to finish in time for the start of our spring season. We remain open during the construction and our knowledgeable staff and exceptional product offering will continue to remain a top priority. Come by to check out the construction progress.
