myAGWAY
Expert

**Dawn, our Middlefield Pet Pro,
has the following advice for
tackling fleas & ticks this season:**

- Use a flea comb to remove eggs and debris
- Bathe your pet regularly, using mild shampoos, conditioning products, and occasional flea treatment shampoos
- Wash pet bedding frequently using the hottest possible water settings
- Keep grass short & prune shrubs, as fleas and ticks thrive in long grass & dark landscapes.

**Ask a myAGWAY expert about flea & tick control options
to discover which products are best for your pet.**
