Q: WHAT ARE THE EASIEST PLANTS FOR FALL COLOR?

A: For hardiness, variety & fall color, you can't go wrong with mums!

Enjoy them season-long with these simple tips:

- Set indoors in bright, indirect light, or outdoors with 5 hrs of am sun & pm shade.
- Plant in fertile well-drained soil before the first hard frost.
- Never allow wilting. Check daily for moisture, & empty the water in pot's drip tray.
- Cut off flowers after they wilt, & cut back foliage after it dies.
