CATTLEMASTER SERIES 6 - HEAVY-DUTY SQUEEZE CHUTE

Side Exit Door

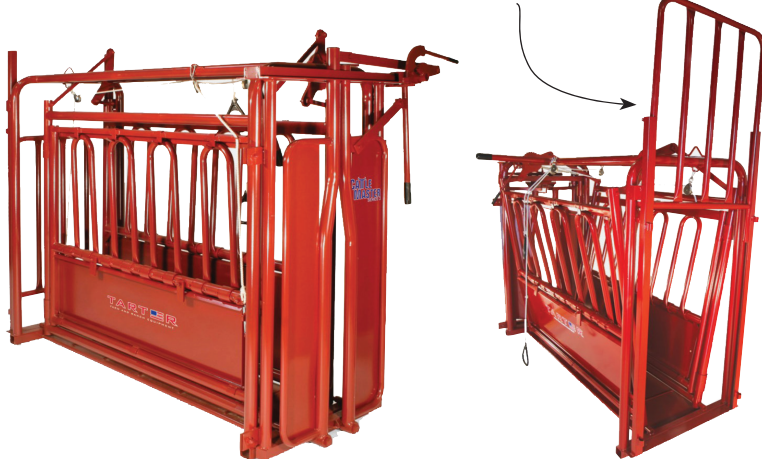

Auto Headgate - CMSCA6
Manual Headgate - CMSCM6

- High-mount, single-lever, double-sided squeeze mechanism with heavy-duty linkage to keep animals firmly in place
- Easy-to-use, single-handle mechanism opens and closes split tailgate with little effort
- Drop-down horseshoes for easy top-side access, as well as the fold-down and fully removable bottoms panels
- Spring loaded side exit door for sorting and exiting larger animals
- Side door release feature durable triangular pull handles hooked up to pulleys at pivot points for ease of operation and durability
- Bottom side adjustments with multiple settings for various size animals
- Optional Nose Bar available for CattleMaster Manual Headgates ONLY
- Features our durable, corrosion-resistant powder coat red finish

CATTLEMASTER SERIES 3 - STANDARD SQUEEZE CHUTE

Vertical Tailgate

Auto Headgate - CCA
Manual Headgate - CCM

- High-mount, single-lever, double-sided squeeze mechanism with heavy-duty linkage to keep animals firmly in place
- Drop-down horseshoes for easy top-sided access, as well as the fold-down and fully removable bottom panels
- Spring loaded side exit door for sorting and exiting larger animals
- Rear vertical sliding tailgate with automatic locking that locks it in both the closes and fully opened position with safety stop at the top
- Vertical tailgate and side door release feature durable triangular pull handles hooked up to pulleys at pivot points for ease of operation and durability
- Available with either automatic or manual headgate
- Features our durable, corrosion-resistant powder coat red finish

CHUTE ACCESSORIES

OPTIONAL SLIDING ALLEY GATE

- Heavy-duty square tube construction and sheeted door to block the animals view
- Door slides easily on top-mounted rollers with self-cleaning bottom
- Doors features heavy-duty handle and spring-loaded auto latch
- Can be used as alleyway entry gate or mid-alley for scales or other uses
- Features our durable, corrosion-resistant powder coat red finish

SCG

PALPATION CAGE

- Optional unit configured to fit all of our CattleMaster Chutes
- High-sheeted doors with heavy square tubing to block the animal views
- Features dual-access doors from each side with heavy-duty, spring-loaded slam latches
- Both doors open into alley and latch, forming a protective barrier from the animals in the alley
- Easy-adjusting, movable hookups for ease of attachment to different chutes and alleys
- Grease fittings on all pivot points
- Features our durable, corrosion-resistant powder coat red finish
