

INSPIRE™ CHARGER HORSE FEED

PRODUCT DESCRIPTION

INSPIRE CHARGER is a high fat, higher calorie blend of quality grains and pellets, lightly wrapped in molasses and vegetable oil designed for growing horses, performance horses, broodmares and stallions. INSPIRE CHARGER provides a high quality, nutritionally balanced diet for the professional equine operation.

Available in a 50-lb bag.

FEATURES AND BENEFITS

A fixed ingredient formula provides a consistent feed to your horse bag after bag, maintaining a stable gut environment and overall digestive health.

Fresh ingredients provide added quality and confidence in knowing you are selecting the best for your horse.

Complete and precisely balanced Vitamin and Mineral Package, including:

- **Organic (complexed) Zinc, Copper and Manganese, Plus Bio-Available Selenium** – The greater mineral absorption and utilization helps meet the increased needs for bone, muscle and tissue strength in active horses. Overall reproduction performance and efficiency is sustained in breeding mares and stallions.
- **Vitamins A, D, E and Stable Vitamin C** – Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism. As potent antioxidants, vitamins E and C help maintain cell membrane and tissue integrity, and support the immune system.
- **B-Complex Vitamins (including Biotin)** – Actively involved in the metabolism of carbohydrates, fats and proteins into usable energy for performance and endurance. Added B vitamins support healthy growth of skin, hair and hooves.

Higher Fat from vegetable oil increases energy density and efficiency for sustained performance and endurance. The addition of fat helps reduce the risk of starch overload while maintaining desired calorie level for optimum weight and body condition of active horses. Vegetable oil also helps support skin and hair coat condition, enhancing overall appearance of show horses.

Blend of Quality Grains and Pellets including oats and corn lightly wrapped in molasses and vegetable oil provide varied energy sources to the horse while the textured form encourages salivation and may help aid in digestion. A textured feed ensures excellent acceptance and palatability.

INSPIRE™ CHARGER TEXTURED HORSE FEED

For growing horses, performance horses, and broodmares.

FEEDING DIRECTIONS:

INSPIRE CHARGER is a higher fat, textured blend of corn, oats, barley, pellets and molasses for growing horses, performance, and broodmares.

DAILY GUIDE: It is necessary to adjust the feeding rate of INSPIRE CHARGER to the condition of the horse. Provide horses with good-quality hay or pasture, free-choice salt, and plenty of fresh water.

Horse Class	Age	Suggested Feeding Range* lb/100-lb body weight/day
Growth		
Yearling	12-18 months	0.75 - 1.10
Long Yearling	18-24 months	0.65 - 1.00
Two-Year-Old	24-36 months	0.60 - 0.85
Adult		
Light Exercise	Mature	0.40 - 0.65
Moderate Exercise	Mature	0.50 - 0.75
Heavy Exercise	Mature	0.60 - 0.85
Very Heavy Exercise	Mature	0.75 - 1.35
Breeding		
Pregnant Mare, last 3 months	Mature	0.40 - 0.75
Lactating Mare, 4-6 months	Mature	0.80 - 1.20
Breeding Stallion	Mature	0.40 - 0.70

**Suggested program is based on offering grass or mixed grass hay. If feeding legume hay, rich pasture, or if INSPIRE CHARGER is fed below the recommended feeding range, consult your Kent Nutrition Group feed representative or customer service for a ration recommendation.*

The suggested feeding program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the animal's dietary requirements.

Caution: This feed contains supplemental copper. Do not feed to sheep.

Store in a cool, dry place. This product may spoil if stored under adverse conditions. Do not feed this product if believed to be unfit for animal consumption.
