

# INSPIRE™ PACER HORSE FEED

## PRODUCT DESCRIPTION

INSPIRE PACER is a high-fat, fully fortified grain-based, no-pellet blend of oats, corn and barley wrapped in vegetable oil and molasses designed for mature performance horses at all activity levels. INSPIRE PACER contains a high level of oats which provides built in fiber for safe grain feeding.

Available in a 50-lb bag.

## FEATURES AND BENEFITS

**Loose Grain Form with NO Pellets** is an excellent option for horses who prefer the coarse texture without pellets. The textured form encourages salivation and may help aid in digestion.

**A fixed ingredient formula** provides a consistent feed to your horse bag after bag, maintaining a stable gut environment and overall digestive health.

**Fresh Ingredients** provide added quality and confidence in knowing you are selecting the best for your horse.

**Complete and precisely balanced Vitamin and Mineral Package, including:**

- **Organic (complexed) Zinc, Copper and Manganese, Plus Bio-Available Selenium** – The greater mineral absorption and utilization helps meet the increased needs for bone, muscle and tissue strength in active horses. Overall reproduction performance and efficiency is sustained in breeding mares and stallions.
- **Vitamins A, D, E and Stable Vitamin C** – Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism. As potent antioxidants, vitamins E and C help maintain cell membrane and tissue integrity, and support the immune system.
- **B-Complex Vitamins (including Biotin)** – Actively involved in the metabolism of carbohydrates, fats and proteins into usable energy for performance and endurance. Added B vitamins support healthy growth of skin, hair and hooves.

**Higher Fat** from vegetable oil increases energy density and efficiency for sustained performance and endurance. The addition of fat helps to maintain desired calorie level for optimum weight and body condition of active horses. Vegetable oil also helps support skin and hair coat condition, enhancing overall appearance of show horses.

## INSPIRE™ PACER

### ALL-GRAIN TEXTURED HORSE FEED

For mature performance horses at all levels of activity.

#### GUARANTEED ANALYSIS

Crude Protein, Min.....	12.0%

## FEEDING DIRECTIONS

INSPIRE PACER is an all grain high-energy blend of oats, flaked corn, and flaked barley wrapped in molasses and vegetable oil for excellent acceptance and palatability for mature performance horses at all levels of activity.

DAILY GUIDE: It is necessary to adjust the feeding rate of INSPIRE PACER to the condition of the horse. Provide horses with good-quality hay or pasture, free-choice salt, and plenty of fresh water.

Horse Class	Age	Suggested Feeding Range* lb/100-lb body weight/day
<b>Adult</b>		
Maintenance	Mature	0.40 - 0.60
Light Exercise	Mature	0.50 - 0.70
Moderate Exercise	Mature	0.60 - 0.80
Heavy Exercise	Mature	0.70 - 0.90
Very Heavy Exercise	Mature	0.85 - 1.40

*\*Suggested program is based on offering grass or mixed grass hay. If feeding legume hay, rich pasture, or if INSPIRE PACER is fed below the recommended feeding range, consult your Kent Nutrition Group feed representative or customer service for a ration recommendation.*

The suggested feeding program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the animal's dietary requirements.

**Caution:** This feed contains supplemental copper. Do not feed to sheep.

Store in a cool, dry place. This product may spoil if stored under adverse conditions. Do not feed this product if believed to be unfit for animal consumption.
