Rhode Island Reds If you are striving for the "Peak" in egg production and still want a heavy bird with good market possibilities, these Reds are for you. A check of national egg laying contest records will reveal the superior egg laying qualities of this breed.

Black Australorps are very good Brown egg producers. One hen holds a record for egg production. They are black with an intense beetle-green sheen on its feathers.

Silver-Laced Wyandottes are truly magnificently colored birds. Their silvery white feathers, laced with black make them a most attractive bird in your barnyard. They are heavy producers of large brown eggs.

Babcock White Leghorns are "The businessman's bird-all around profit makers." White Leghorn chicks are balanced bred for performance Livability- High production- Superior shell strength and proper egg size.

New Hampshires have outstanding vigor, size, uniform growth, early maturity, rapid full feathering, heavy egg production, and large egg size, these MONEY MAKERS can't be beaten. This fine strain produces large brown eggs with extra good shell texture and has a yellow-skinned carcass free from dark pin-feathers.

Pullets \$3.25 ea. Roosters \$2.50 ea.

. Mt. Heathy Jumbo Cornish Rock Cross Pullets

Now you can raise your own Cornish Game hens just like in the Supermarket. The large massive Cornish Cockerels are bred to large broiler type White Rock hens. The cross produces one of the finest quality broiler type chicks that can be found anywhere. They make market weight in 7 weeks. Many of our customers report 4 lb. broilers in 7 to 8 weeks. They give you the desired broad breast, big leg, big thigh, uniform conformation, rich yellow skin and extra fast feathering.

Broad breasted White Turkey/Mamouth Bronze Turkeys

Our broad breasted whites are an extra good compact meat type bird. They dress out well at almost any size, with a pleasantly plump carcass. They are a favorite of many because they look so well when dressed, having no dark pin feathers, and such fine color.

Our Bronzes are outstanding examples of this breed. Handsome, colorful birds that attract attention whenever seen. Hens average 18 to 20 lbs. and toms average 30 lbs.

\$8.00 ea.

\$8.50 ea.

Ducklings (Giant White Pekin, Mallard, Khaki Campbell)

\$6.00 ea.

French Guineas

Are fun, easy, and inexpensive to raise. Once started, they are excellent foragers, living on insects, seeds, and grasses. They are super farmyard watchdogs, sounding an alarm anytime anything unusual occurs.. They are purplish gray with small white spots and the adults are about two pounds heavier than Pearl Guineas.

\$6.00 ea.

Assorted Bantams

Known as the "Flower Garden" of the poultry world because of their beautiful coloring. They are about 1/4 size of standard bred chickens and are perfect for pets and exhibition. You will truly fall in love with these beautiful birds.

\$4.00 ea.
