

CHELMSFORD AGWAY NEW LOYALTY PROGRAM

Chelmsford Agway has recently updated their Point of Sale system. As a result, the way in which loyalty points are tracked has changed. You will still receive a \$5.00 credit for every \$200.00 you spend at Chelmsford Agway. The system will now apply \$1.00 for every \$40.00 in purchases, which equals \$5.00 for every \$200.00 spent ($\$40 \times 5 = \200). Coupons will not be printed out for you to bring back to the store. Instead, they will be tracked in the system and can be applied at any time. No more having to remember to bring your coupons back to the store! Just remember to tell the sales clerk your name each time you are in the store to receive credit for your purchases.
