Dear Matt Zeno and Kevin O'Donnell:

On behalf of the congregation of St. Stephen's, and the Revival Committee, I extend appreciation for all of the courtesies offered to us by the staff at Y-BY Rental. For, the fact that our payment was discounted we are grateful. We held a weekend revival to enhance our ministry and the discount helped us greatly in our ministry efforts. The tent was perfect – the size – the quality; and as it was pouring rain on Friday night, the tent kept us warm and dry! Angela assisted us with all of our increasing needs, and we are thankful for that, especially as we realized we needed more stage on Friday afternoon.

We would recommend an other church having an outdoor revival , to rent tents, tables, chairs, and stage from Y-BY Rental. The men that setup the tent did it was safety in mind. That too is appreciated.

Sincerely,

Christine Regan, Pastor
