**Dear Kevin:**

**The Woodbury Heights Volunteer Fire Department and Association would like to thank you for your generous donation and support during this difficult time. The out pouring of support from the community and surrounding businesses was overwhelming.**

**Our members were faced with the most devastating job of fighting the fire and the salvage of our home and equipment. The support of food, beverage and much needed supplies we reived was most appreciated. Your suport helped us to get through the first few days of this disaster.**

**We have no doubt that we will soon be back to fullfilling our duty of serving our community.**

**Sincerely,**  
**R.J. Conley**  
**Department Chief**
