Attention: Mr. Kevin O'Donnell, General Manager

I wanted to take this opportunity to thank you for your generous donation of the dunk tank for our Open House on 10/25/2008. We had a nice turn-out for our "Dunk The Director" event. The proceeds from the dunk tank were donated to the Gloucester County United Way Campaign, with the monies being applied to the Children's Hospital of Philadelphia. Your thoughtfulness has helped us to make a difference. Once again, thank you.

Sincerely:
