Dear Matt:

I wanted to take a moment out of the craziness of this week to send a sincere thank you to everyone for your contributions at Matt and Liz's wedding. The couple has expressed to me on multiple occasions that the wedding far exceeded their expectations and was better than they could have ever hoped for.

As Coordinator, I recognize that I am only as good as the event partners I surround myself with. Liz and Matt hired us for full service planning and went solely on our recommendations of individuals that we felt would "get" their vision. I am glad that I was able to compile a vendor team that works with the same level of professionalism, dedication, and wonderful product that I try to achieve.

I look forward to working together again in the future.

Sincerely,

Isis
