<p style="text-align: center;">Controlled Intake Systems™</p>										

- [1] Proof Type - Select which Program you are seeking payment from, Business Builder or Great Starts or if you are just submitting data to the database.
- [2] Salesperson: Please complete this form and make sure all required information is included for this Proof Pays Application and send to: DHShain@LandOLakes.com
- [3] Enter Coop/Dealers Customer Number in this cell if this is for Business Builder or Great Starts.
- [4] Enter the Average Birth Date for the calf crop in the cell below. Enter this date only if Program Type is: "Calves-Creep" or "Developing Bulls"
- [5] This is average Day of Age and will appear only when Program Type is "Calves-Creep" or "Developing Bulls". If this Label appears make sure you have an Avg. Birth Date entered in cell A11.
- [6] Enter starting Avg. Cow BCS in this cell. This will appear only if Program Type is "Brood Cows".
- [7] Enter Avg. ending BCS in this cell.
- [8] If needed, use the HD Days tab below to help calculate the correct number.
- [9] Use this cell to enter a Yardage cost/hd/day.
- [10] Use this cell to explain what Other Costs are: such as implants, vaccinations, medications, grind and mix fees, etc.
- [11] Enter Other Costs in this cell and change the label to the right to "per hd", "Total", "per day", etc.
- [12] This cell should be the total sum of all "Other Costs" not included in cells above.
- [13] Enter in this cell the Total Amount of concentrate fed. Everything but forage products such as hays and corn silage should be part of Concentrate Fed.
- [14] Enter Carcass data in the Boxes provided below. This will only appear if Program Type includes "Finishing".
- [15] Enter DM Feed Conversion in this cell if known.
