

It's that time of the year again. Our December Newsletter that celebrates our top 5 lists for food, toys and treats. Some of the lists are similar to previous years but several items have either moved on the list or were taken over by better products.

Enjoy the lists and please ask us about our top sellers the next time you're in the store.

4. Nulo: High quality, high protein content.
5. Merrick Cat food cans: with fun names like Cowboy Cookout what's not to love.

Top 5 Toys

1. Kong Dog toys; tough toys, stuffed toys all make this list. Fun and entertaining for pets.
2. West Paw Design: some of the toughest dog toys we have, also replacement guaranteed by the company. So if your dog does destroy their new toy contact West Paw and they will replace the toy.
3. Yeowww; Cat nip toys– Organic catnip, Fun shapes, very potent catnip.
4. Cosmic Catnip toys: Small, inexpensive cat toys.
5. Outward Hound Invincible Squeaker toys: They have so many options, sure to make any pet happy. The squeakers still work after they've been punctured.

Top 5 Dog Foods

1. Diamond Naturals: Diamond had been our No. 1 for 3 years straight. The reason; you can't beat the price per pound of food, or the good ingredients that go into it.
2. Fromm: Is a family owned and produced dog and cat food, but the dog food makes it to No. 2.
3. Merrick Canned dog foods: Great ingredients, and it looks like stew we could eat with our pets.
4. Blue Buffalo: Blue has so many options for pet foods it's no surprise they make the list.
5. Acana: Is a high quality food that utilizes fresh, raw, or freeze dried ingredients.

Top 5 Cat Foods

1. Weruva Pouches: The canned food is the same just a different delivery method. Weruva uses human grade ingredients in their foods so we could actually eat them if we wanted. Looks like people food too.
2. Fussie Cat: High quality ingredients, great for cats that are picky and humans who just want their cats to love their food.
3. Blue Buffalo: Canned and dry foods for cats both make the list. Lots of options for cat parents who have picky cats, or a cat with health issues.

Top 5 Treats

1. Maggie and Co.– Our homemade treats, cakes, and pizza's. Human grade ingredients that are all pet safe.
2. Blue Buffalo Wilderness biscuits for dogs, and treats for cats.
3. Old Mother Hubbard P-nuttier biscuits
4. Purebites– cat treats that are freeze dried.
5. Bil-Jac treats– made in Ohio fun flavors
