

Master Gardeners Announce New Class-Online!

ROCKBRIDGE AREA MASTER GARDENERS (RAMGA) are pleased to announce that in 2018 we will be offering a Master Gardener Class. The course will be available as a computer-based, self-paced, study course accessed via a flash drive. A flexible alternative to classroom-based instruction, this new learning model lets participants complete most course work at home. In addition to the self-paced course, students will participate in labs, which are interactive learning experiences.

Virginia Cooperative Extension programs and employment are open to all, regardless of age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, veteran status, or any other basis protected by law. An equal opportunity/affirmative action employer. Issued in furtherance of Cooperative Extension work, Virginia Polytechnic Institute and State University, Virginia State University, and the U.S. Department of Agriculture cooperating. Edwin J. Jones, Director, Virginia Cooperative Extension, Virginia Tech, Blacksburg; Jewel E. Hairston, Administrator, 1890 Extension Program, Virginia State, Petersburg.
