

# PET KRAZE

## PET FOODS & SUPPLIES

A note to our Customers,

I wanted to personally reach out to you and provide an update on the actions PetKraze is taking to protect the health and safety of our customers, employees and neighbors.

We believe the best approach is to follow the guidance and advice of the medical experts so we are following the CDC guidelines for preventing the spread of viruses. We will step up our frequency of cleaning and disinfecting our merchandising areas, paying special attention to high contact surfaces like counters, door handles, shopping carts and payment terminals. Employees will increase the frequency of their hand washing throughout the shift, and any employees experiencing flu-like symptoms will not be permitted to work.

If you don't feel well or choose not to visit your nearest PetKraze store; feel free to utilize our local delivery or Curbside pickup options available to all our valued customers. We are ready to serve you over the phone at 610-859-8500.

Let me take this moment to thank you for your patronage and for choosing to purchase products from our store. We know that you have a lot of choices of where to spend your hard earned dollars, and we do not take it lightly that you have chosen us. You have our word that we will continue to work hard and do our best to earn your trust and your business by providing you with the best products available with an outstanding shop-local neighborhood environment.

Thank you for trusting us to do all we can during this time of extra care and concern,

*Ron Temple*
