

HOW TO IDENTIFY A SERVICE ANIMAL ON DUTY

This month, we had the honor of learning about a Service Animal in our community 'Blaze'. This handsome 2 ½ year old Chocolate Lab is 10 year old Madisyn's Diabetic Alert Dog. He has been with Madisyn & her family since he was 8 weeks old and came from a company called Tattle Tail Scent Dogs from Salt Lake City, Utah. As a young pup, Blaze was 'scent imprinted' and learned to alert to blood sugar changes for diabetes.

Here is Blaze in action catching Madisyn's low blood sugar in the grocery store. A real life furry hero!

Blaze visiting Madisyn at school. While she's too young to take Blaze to school with her, she's hopeful that by 6th grade Blaze can go with her everyday!

SOLDAN'S TEAM MEMBER PICK

NAME: Janice Gargulinski
POSITION: Floor Supervisor at Soldan's Bay City
#TEAMSOLDANSSINCE: June 2015.
FAVORITE PRODUCT: Caru Daily Dish

Caru has literally saved the life of my Boston terrier puppy Malin. Malin was born with a birth defect called 'portosystemic shunt' or better know as a liver shunt. A good healthy diet that can be easily digested is so important to his survival. I tried several other well known brands while watching Malin decline at a very fast rate. He was 12 weeks old and only 1.7 pounds. He suffered from hepatic encephalopathy and his body was turning toxic. I decided to try Caru as a last result, and within hours could see the symptoms fade away.

Within one week he was up to 2.7 pounds and he has very few symptoms left. Malin is 6 months old now and has no symptoms of being sick.

Thank you Caru Daily Dish!
