

No-Bite™

Flea & Tick Control

Durvet is pleased to offer you the No-Bite family of flea and tick fighting products with its expanded line for indoor protection and control. No-Bite is available exclusively from your Durvet member distributor. With its striking, updated packaging, the No-Bite line will grab your customer's attention. Designed with the independent dealer in mind, these products will not be found in mass retail channels - giving your store a unique label to promote to your customers.
