LAWN CARE made easy

VERSATTACH® SYSTEM – 1 TOOL, 6 TASKS

Honda's all new VersAttach® system is a versatile, user-friendly power tool. With 6 different attachments, it's designed to take on a wide range of residential and commercial landscaping tasks.

CHOOSE FROM A VARIETY OF ATTACHMENTS:

- Trimmer
- Hedge Trimmer
- Edger
- Cultivator
- Pruner
- Blower

HONDA
Power
Equipment

EASY TO CONNECT!

Honda's innovative SureLoc® System makes it easy to connect and disconnect attachments. It's made of a durable, wear-resistant resin. And because it clicks into place, there's no need to guess if the attachment is properly secured to the powerhead.

LEGENDARY HONDA ENGINES PROVIDE PLENTY OF POWER.

The VersAttach power heads operate with Honda's mini 4-stroke engines. Choose between the UMC425, powered by the GX25, and the UMC435, powered by the slightly beefier GX35. Both offer substantial advantages:

- Easy starting
- Legendary reliability
- 4-stroke – no mixing gas and oil, no smoke, no smell
- Lowest sound level in the industry
- Lower vibration = more comfortable to use
