## CARR HARDWARE 1928 - 2018

2018 marks our 90th Anniversary of providing expertise, service and commitment to the communities we serve. Originally founded by Sam Carr in 1928, the company was purchased by the Raser family in 1962 and day-to-day operations are still handled by Marshall and his son, Bart. Carr Hardware has built a successful regional business and employs over 100 people. Each location offers years of specialty experience, allowing Carr to provide expert advice and quality service to their customers. Late in 2017 we were voted the National Small Business of the Year and more recently in May 2018 we were named to the class of 2018 Hardware All Stars. Both prestigious awards are given to "community-minded, service-oriented businesses worth of the honor." We'll be celebrating these milestones throughout the year with special events and sales to express our thanks for your continued support.
