### The Roman Cobble Paver System

Combines the classic look of yesterday with the successful regal look of today. With a combination of five sizes, plus the Roman Cobble Fishscale and Circle kits, the paver designs are limited only to your imagination!

**66¢**  
Ea.

### The Holland Paver

4" x 8" is a traditional look for the home. Great for sidewalks, patios, and driveways. The look of brick with the durability of a concrete paving stone. Stock: Antique Gray, Brown Flash, Hickory, Butternut or Red Flash.

Picked Up at Yard  
– Delivery Extra

**179**  
Ea.

### Windsor Stone®

4" x 12" x 8". Ideal for larger tree rings, garden rings and curved wall projects. Cost-effective and low-maintenance solution for landscaping projects. Choose from Natural Gray, Desert Tan, Rawhide or Victorian Red.

Starting At  
**1233**  
Sq. Ft.

### Anchor Highland Stone® Retaining Wall

This stone system can reach heights of 4 feet without reinforcement, and is a more reliable and economical alternative to more natural stone walls. We've added the jumper accessory unit. Use it throughout your project to create an even more unexpected, natural-looking effect.

**625**  
Ea.

### Anchor Diamond®

6" x 17" x 12". For an attractive retaining wall with enduring performance, Anchor Diamond is the perfect choice. Walls can reach heights in excess of 30'. Choose from Natural Gray, Desert Tan, Rawhide, Victorian Red or Storm.

Starting At  
**1300**  
Sq. Ft.

### Anchor Highland Stone® Free Standing Wall

It's crafted with the same earthen colors and rough-hewn texture that make a top choice for retaining walls. Great for seating areas, borders and columns. The blocks are available in three different sizes, giving walls a more natural look.

Pricing is for products picked up at yard – DELIVERY EXTRA
