Ea.

Windsor Stone®
4" x 12" x 8". Ideal for larger tree rings, garden rings and curved wall projects. Cost-effective and low-maintenance solution for landscaping projects. Choose from Natural Gray, Desert Tan, Rawhide or Victorian Red.

650
Ea.

Anchor Diamond®
6" x 17" x 12". For an attractive retaining wall with enduring performance, Anchor Diamond is the perfect choice. Walls can reach heights in excess of 30'. Choose from Natural Gray, Desert Tan, Rawhide, Victorian Red or Storm.

Starting At
1233
Sq. Ft.

Anchor Highland Stone® Retaining Wall

This stone system can reach heights of 4 feet without reinforcement, and is a more reliable and economical alternative to more natural stone walls. We've added the jumper accessory unit. Use it throughout your project to create an even more unexpected, natural-looking effect.

Starting At
1300
Sq. Ft.

Anchor Highland Stone® Free Standing Wall

It's crafted with the same earthen colors and rough-hewn texture that make a top choice for retaining walls. Great for seating areas, borders and columns. The blocks are available in three different sizes, giving walls a more natural look.

5⁹⁹

Dust Mask
With moldable noseband which improves comfort and fit. Traps dust while maintaining low breathing resistance. Latex-free and hypoallergenic. 626 2307

3⁹⁹

Safety Goggles
Impact-resistant lenses. 315 3236

Fiberglass Insulation

Reduces the natural movement of heat from warmer to colder areas. A poorly insulated home requires an inside temperature at least 3° higher to maintain the same level of comfort. Properly installed insulation can reduce costly fuel bills during heating and cooling seasons. Batts In Stock.

The higher the R-value the greater the insulating power. Ask us for the fact sheet on R-values.
