

## Tindell's Building Materials 2021 Incentive Program

### 7- Night Norway / Fjords Cruise

Royal Caribbean Cruise Lines *Anthem of the Seas*

Cruise Date: May 13/14 - 21, 2021

*Dear Tindell's valued customers...*

Tindell's Building Materials is pleased to announce that our 2021 incentive trip will be a unique cruise to one of Scandinavia's most popular destinations, Norway...land of the Viking Norsemen.

Sailing from Southampton, England on Royal Caribbean Cruise Line's (RCCL) award-winning ship, the *Anthem of the Seas*, you will sail Europe's North Sea to several of Norway's picturesque ports-of-call while being surrounded by awe-inspiring landscapes. Your accommodations for the week will be in an Oceanview Cabin with a balcony, offering you outstanding "up close and personal" views while traversing the narrow straits of the majestic Norwegian Fjords.

When not in port, the ship's on-board entertainment programs are full of fun with interesting activities for passengers of every age. It is up to you how active (or in-active) you want to be. Be lazy and have a relaxing day just watching the waves roll by or maybe try your luck at the Casino. We guarantee there will be plenty of options to pique your interest.

Tindell's promises you a vacation trip filled with delightful, colorful ports-of-call and dramatic, spectacular scenery...each one a lasting memory. We hope that you can join us on our wonderful cruise of Scandinavia's North Sea...it is truly going to be incredibly special!

As always, please feel free to contact your Tindell's sales representative with any questions that you may have.

**See you in Norway!**

## 2021 Norway Fjords Cruise

### Itinerary Overview & Ports of Call

#### Day 1 - Thursday, May 13

Depart USA for your flight to London, England. Arrive London's International Airport (next day, May 14<sup>th</sup>)

#### Day 2 - Friday, May 14

Arrive London's International Airport / Transfer via deluxe motorcoach from London to Southampton to board the Anthem of the Seas cruise ship. Balance of afternoon free to unpack, relax and explore the ship and, time willing, visit the historical seaside port of Southampton.

**Southampton, England** - Located on England's South Coast, Southampton is a city full of surprises. Home to one of the largest ports in Europe, the city has a lot to offer people passing through for the day. Step back in time and explore the old town — walk along the medieval town walls, parts of which date back to 1290. Visit Bargate, a medieval gatehouse built by Normans in the 12th century. Check out Sea City Museum and learn about what it would have been like to set sail on the Titanic in 1912, as this is where the historic ship left port. Watch as boats enter the port city and imagine what it would have been like if you were a knight on watch hundreds of years ago.

#### Day 3 - Saturday, May 15

Cruising the North Sea

**A day at sea** — Looking for a little adventure? Then this ship is for you! Besides the daily shipboard programs, there are four amazing activities that will put your adrenaline into "high gear." Check it out...

1. **The North Star:** The North Star is an observation capsule with 360-degree views of the world from 300 feet above sea level...Hello!
2. **SeaPlex:** The largest indoor active space at sea is only on Royal Caribbean, including basketball and bumper cars — it's the first time you'll ever play like this on a cruise.
3. **RipCord:** There's no rush in the world like skydiving — and on the RipCord simulator you can feel the freedom of freefall without even leaving the deck.
4. **FlowRider:** Grab your board and get ready for 30,000 gallons of rushing awesome waves headed your way. The surf's always up on the 40-foot-long FlowRider surf simulator.

#### Day 4 - Sunday, May 16

##### **Bergen, Norway**

Set against the backdrop of seven mountains, Bergen's natural beauty and historical charm will stop you in your tracks. Stroll through the Bryggen neighborhood, with its medieval cobblestone alleyways and red, yellow and white painted houses. Take the cable car or enjoy a one-hour hike to the top of Mt. Floyen to soak in dramatic views of the city and the surrounding fjords. Encounter trolls — don't worry, they're only statues — in the Troll Forest. Later,

one of the city's forward-thinking restaurants, where chefs prepare cold-water seafood and local produce.

## Day 5 - Monday, May 17

### Geiranger, Norway

Welcome to the Jewel in the Crown of Norway's fjords.

Geiranger Fjord was made a UNESCO World Heritage Site in 2005, but the area has been luring tourists since the turn of the 19th century. Take the Waterfall Walk to the heart of the cascades. Climb the Skywalk for Europe's highest fjord view.

Explore Geiranger by bike or on foot, or hop in a raft or kayak for a view from the water. Once you've taken in your fill of mountain air, stroll the quaint village center, indulge your

sweet tooth at the local artisan chocolate shop or sit back at a cafe with a coffee and a krumkake — a rolled cake with whipped cream in the center — and enjoy the view!

## Day 6 - Tuesday, May 18

### Alesund, Norway

Alesund is a small but lively city with a unique modern feel. A rebuilding effort following a major fire in 1904 gave the city its distinctive Art Nouveau — or "Jugendstil" — architectural style, defined its ornate details, asymmetrical facades and curving forms meant to resemble plants, animals and flowers. From the city park, walk up the 418 steps to the city's peak, Aksla — you'll be rewarded with a gorgeous panoramic view of the city, the islands and the rugged Sunnmorsalpane Mountain range (not a typo)...really the name of the mountain range.

## Day 7 - Wednesday, May 19

### Stavanger, Norway

Perched on Norway's dramatic western coast, Stavanger is a city full of historic architecture, quaint cafes and ocean views. Check out Gamle Stavanger, the picturesque old town, where you'll find well-preserved wooden buildings dating back to the 18th century painted in unique pastel hues. Cruise to Stavanger to learn more about the Vikings at the Museum of Archaeology or visit 12th-century Stavanger Cathedral — thanks to a series of rebuilding efforts over the years, it features architectural elements from Romanesque to ornate Baroque. Then, take the short trip to Prekestol, the "Preacher's Pulpit," a rocky natural viewing point overlooking Lyse Fjord. Be sure to add this to your "must do" list!

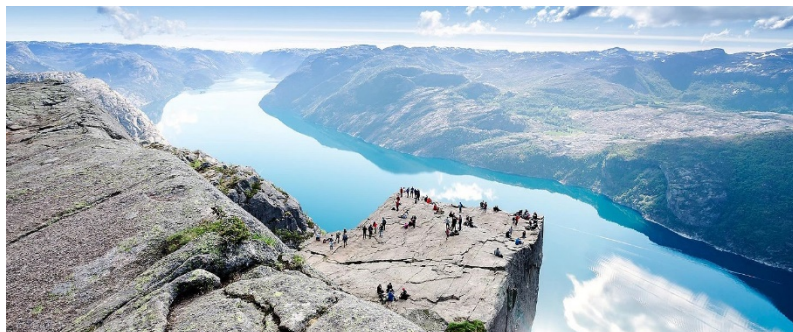

## Day 8 - Thursday, May 20

Cruising the North Sea

**A free day at sea!** - There's a long list of things you can do today...or not.

## Day 9 - Friday, May 21

Depart Southampton via deluxe motorcoach to London to catch your flight back to the USA.

## **Tindell's Building Materials**

### **The 2021 Tindell's Norway Cruise Incentive Trip includes the following:**

- Roundtrip airfare from USA to London, England

## **TINDELL'S 2021 / Trip Rules & Regulations**

First trip is **320,000** points

Second trip is **340,000** points

All trips are based on double occupancy. Single occupancy will be charged a surcharge. We will always attempt to pair you with someone if you are traveling as a single participant to keep you from paying the single surcharge.

All trips are designed and planned with adults in mind. Please do not ask us to make an exception to this request.

Trips have no monetary value.

Departure date, destination, airfare purchase and ground costs are subject to change if fuel surcharges and /or escalating travel costs do dictate.

Tindell's Building Materials may, at its sole discretion, cancel a trip program or change destination for any reason which it deems appropriate including, but not limited to, favorable currency exchange value, matters bearing on the international situation, escalation of costs and expenses, etc.

For you to receive credit for points earned for a given month's purchases, payment for that month must be received during the following month.

Contest period is from **January 1, 2020 through December 31, 2020**

There will be a \$150.00 charge for name changes after the cut-off period or after documents have been issued.  
**IRS regulations require that we issue a 1099**

**A passport will be required for this incentive program...**

**For more information, please contact: Sue Walker**
