SMARTSHREDZ NATURAL FIBER BLOW-IN INSULATION

Made of up to 85% recycled paper, SmartShredz natural fiber blow-in insulation gives you great value and performance, including a higher R-value than fiberglass insulation. Comprised of cellulose, it fills gaps and voids without cutting and fitting, creating a thermal blanket that helps to eliminate air leaks.

**We Rent
Blowing
machines
for only
\$5.00 per day**

INSULATION

Installing Fiber Glass Insulation is an easy, cost effective method to help conserve energy in residential and commercial new construction, remodeling and reinsulation. In addition to it's thermal properties, it also provides excellent acoustical performance.

R-11 Kraft Faced
